

# Disney Genie

## Make the Most of Your Visit

Disney Genie service helps you get the most out of your time with a personalized itinerary inspired by your party's top interests and grants you planning features, reminders and more!

- Get personalized recommendations customized to your preferences.
- Real-time tip board with current and forecasted future wait times.
- Additional complimentary features: join a virtual queue, mobile order and restaurant wait list, check-in, and reservations.

## LIGHTNING LANE

### Plan Ahead & Save Time in Line

With our Lightning Lane passes, skip the standby line and join a shorter line for select attractions and experiences instead.

Purchase a Lightning Lane Multi Pass, a Lightning Lane Single Pass **or both...** and enjoy more magic in every moment of your day!

#### Enjoy Multiple Experiences

- Purchase Lightning Lane passes days in advance of your park visit, for added confidence when you arrive.
- Choose attractions and arrival windows before purchasing a pass—so you know what to expect.
- Make plans for multiple days, all in the same day! This makes it easier to plan your visit.

#### Ride Top Attractions

Save time in line with a Lightning Lane Single Pass for one of our most in-demand attractions—those not available with Lightning Lane Multi Pass.
